This Collection is inspired by the beautiful and alluring process of lines, curves, and colors coming together, in a serene symphony under the expertise of experienced craftsmanship.

These surfaces are available in the convenient size of 300x300mm, which makes them ideal for adorning spaces with tranquil tapestries.

ABOUT COMPANY

Estudio Ceramico is the love child of Spanish architectural designs, the manufacturing standards of Europe and the touch of Incredible India.

The manufacturing plant at EStudio Ceramico is India's first and most advanced. We employ the highest quality of equipment, combined with best in class technology. This ensures that we consistently deliver the highest quality of products to all our customers, both at home and overseas.

The journey of Estudio Ceramico started in 1992 at the little town of Castellon, Spain. Since then it has become one of the most trusted and respected manufacturers of decorative tiles in Europe and across the world. Through the years, due to the demand of our clients, we have started manufacturing plants in Spain, Mexico and finally in India. In India, Estudio Ceramico has partnered with the well known ceramic tile manufacturer Sandhya Group.

To continue the rich heritage and the design quality of Estudio Ceramico, our designers operate from Spain. The quality of our products is ensured by the joint efforts of the marketing and creative teams both in India and in Spain. As a result of all the successful partnerships over the years, Estudio Ceramico has achieved the honour of being one of the best ceramic manufacturers and distributors in the world.

Through the years, our aim at Estudio Ceramico has remained constant, to always deliver the highest quality of products, manufactured under to the best European Standards. Our brand has been serving the top 1 per cent of the society since its inception, and our strong legacy is maintained due to our seamless delivery of the highest quality products.

Help us revolutionize the true meaning of elegance. Browse our extensive line of high-class designs today.

Live life the Moroccan way

Details that come alive on clay,
carrying the stories of a bygone
time in their curves, enrich spaces
with the allure of artistry.

This Collection brings the tapestry of color and
patterns set in traditional motifs through expert
craftsmanship. Each piece alludes to the beauty and
balance that come together with elegance, introducing
a decorative element in spaces. These pieces are
available in serene, soothing tones that add a touch of
artistry without overwhelming the aesthetic.

These tiles are widely preferred among homeowners
and interior designers for creating decorative nooks
with refined craftsmanship. Bring the beauty of
Moroccan pieces to spaces, creating graceful luxury.

Curves that weave a tapestry of
symmetry in hushed tones
complement spaces with a
touch of timeless beauty.
